Tottenham 20 oz PVC

An interpretation of menswear tweed and tailored suiting fabrics, Tottenham is a crisp dimensional textile. The layers of print and bi-directional structure are underscored by a refined linen emboss.

The 16-sku offers complex neutrals and timeless colors of brick red, subtle sage, and navy. Select colorways feature multicolor accents providing a wide selection.

Argenti 20 oz PVC

Inspired by interiors laden with woven texture, Argenti is a sophisticated, tactile wallcovering that appears hand-crafted. Horizontal striations of multi-colors unite with a chunky threaded print and stitched emboss to create a dense textile.

Argenti's 13-sku palette has a broad range of neutrals and playful pops of color.

INV-MAI3003 Autumn-Mylar

INV-MAI3004 Jacbean-Mylar

INV-MAI3005 Arctic-Mylar

INV-MAI3006 Briarsmoke-Mylar

Altair is a signature design inspired by the fractal patterning found in nature and art. This mesmerizing structure is further enhanced with the intricate detail and texture of inlaid wood.

Altair is available in 9 gorgeous colors ranging from naturals to cultured influences. Printed on mylar with opaque inks, the finish has an engaging interplay surely to delight.

INV-MAI3007 Blue Morpho-Mylar

INV-MAI3008 Rustoc Olive-Mylar

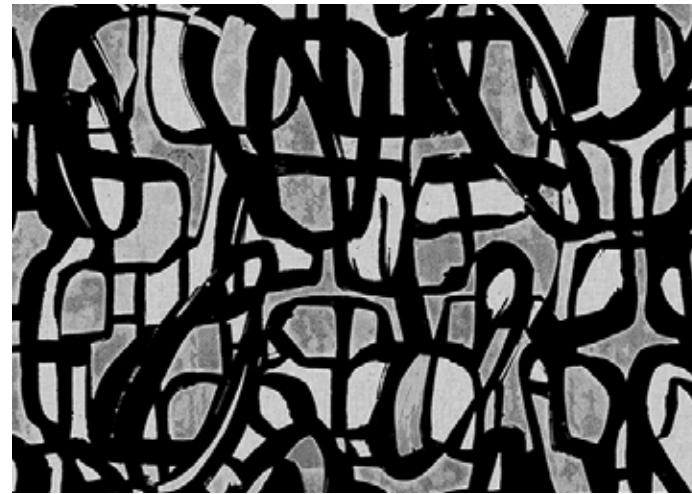

INV-MAI3009 Kona-Mylar

Vox 20 oz PVC

Vox is an artistic, urban design that will enliven any space. This largescale design has the impact of layered graffiti and the movement of calligraphic patterning.

Offered in 9 colorways with a matte-metallic interplay and an inky eroded sophisticated palette, Vox is an excellent choice for a modern statement.

INV-MCR1306 Hazelnut

INV-MCR1307 Blackberry

INV-MCR1308 Frost

INV-MCR1309 Aquamarine

INV-MCR1311 Julep

Crescere offers the comfort and ease of well-loved fabric. Soft clouds of color overlaid by a rustic weave emboss provides a visual texture that is warm and inviting.

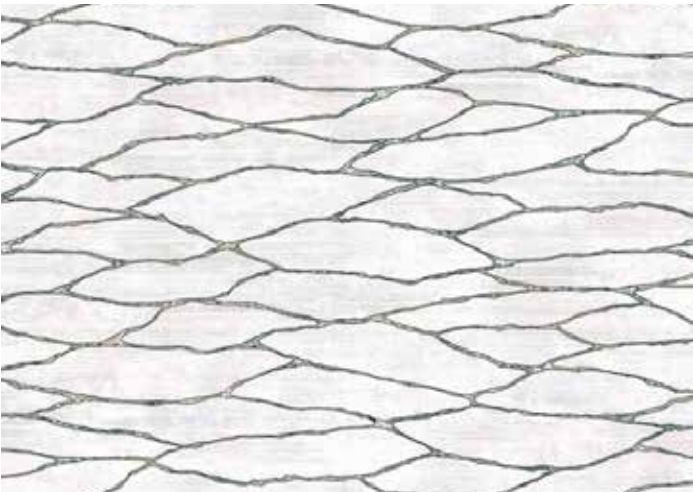

The 11-sku palette is evocative of nature with earthy neutrals and atmospheric colors.

Tondra Mylar 20 oz PVC

Simplified and abstracted, Tondra is a rendition of the rustic patterning within the untamed landscape. This sophisticated design draws inspiration from nature’s colors and the backdrop of biophilic motifs such as intertwined branches and rugged terrain.

All 9 colorways are rendered over mylar for a metalized effect within the horizontal line work. The palette includes crisp whites, timeless neutral shades, an aged green, and a deep azure.
